Key Facts

Duration	2 Semesters
Intakes	January 2026 & September 2026
Tuition Fee	£15,225
Scholarship & Discounts	Up to £3,400 total (see Fees section)
Pathways	Business Computer Science
English Requirement	Academic IELTS 5.5 (no subtest below 5.5), OR HSC 2.4 in Compulsory English from Grad

Progression Degrees (Year 2 entry)

Pathway	Progression Degree
Business	Business Management BA (Hons)
Computer Science	Artificial Intelligence BSc (Hons) Computer Science BSc (Hons) Software Engineering BSc (Hons) Software Engineering BEng (Hons)

3. Fees, Scholarships & Discounts

Tuition Fees

Programme	Tuition Fee	Total Discount Available
International Foundation Programme (Joint CAS)	£15,225	Up to £3,400
International Year One (Joint CAS)	£15,225	Up to £3,400

Scholarship & Discount Breakdown

- **£2,000 scholarship** available for eligible international students.
- **£1,000 conversion discount** — additional discount applied on conversion of offer.
- **£400 early payment discount** — for students meeting the payment deadlines stated in their offer letter.

Maximum potential reduction: **£3,400** — bringing net tuition down to approximately **£11,825** for students who qualify for all three benefits.

4. Deposit, CAS & Proof of Funds

Deposit Process

- **£300 deposit** is required to book your **P-CAS interview** (pre-CAS check).
- After passing the **final CAS interview**, the **remaining deposit** stated on your offer letter must be paid before the CAS is issued.

Funds to Show for UK Student Visa

- **Remaining tuition fees of the first year** (after deposit is paid).
- **£10,539 living expenses** (UKVI maintenance for study outside London).

Visa Type

All LHU ISC programmes use an **Integrated Student Route Visa** — a single visa covers both the pathway programme and the full undergraduate degree.

5. Entry Requirements for Nepalese Students (Joint CAS)

Detailed academic, English language, and study-gap requirements specifically for students applying from Nepal. Both programmes run on a 2-semester structure with September and January intakes.

International Foundation Programme (IFP)

Duration	2 Semesters
Intakes	September / January
Academic Requirement	School Leaving Certificate Examination (Grade XII) with minimum GPA 1.8 , OR
English Requirement	Academic IELTS 5.5 with no subtest below 5.5 English test waiver: OR
Study Gap	Maximum 5 years for high-risk applicants. Older study gaps may require supporting

International Year One (IYO)

Duration	2 Semesters
Intakes	September / January
Academic Requirement	School Leaving Certificate Examination (Grade XII) with minimum GPA 2.0 , OR
Mathematics	Grade X Maths at 2.4 minimum.
English Requirement	Academic IELTS 5.5 with no subtest below 5.5 English test waiver: OR
Study Gap	Maximum 5 years for high-risk applicants. Older study gaps may require supporting

Key Highlights for Nepalese Applicants

- **IELTS waiver available** for both IFP and IYO — Grade XII Compulsory English at 2.4 or above is accepted in place of IELTS.
- **CTEVT Diploma is accepted** as an alternative to Grade XII — 40% for IFP, 50% for IYO.
- **IYO requires Grade X Maths at 2.4** in addition to the Grade XII requirement.
- **Up to £3,400 in combined scholarships and discounts** — significantly reducing net tuition costs.
- **Joint CAS** means one visa covers both the pathway and the full degree.
