

Agent Declaration

I/ We _____ (Counsellor and Agency's name)
have checked and verified the financial evidence of _____ (Student's name),
_____ (DOB) on _____ (Date) and declare to KBS that:

1. Evidence of funds cover travel to Australia and 12 months' living, course and (for school aged dependants) schooling costs for the student and accompanying family members are met

Or

2. The annual income option requires students to provide evidence of personal annual income of at least AUD87,856 for a single student or AUD102,500 when accompanied by family. The income demonstrated must be of the spouse (who is not travelling with the applicant) or parents. In circumstances where both parents are working, their combined income can be considered for this requirement. In all cases, the evidence of annual income must be provided in the form of official government documentation, such as a tax assessment;

And

3. Evidence confirms genuine access to the funds while in Australia to cover all living and study costs for the duration of the program. I/we have verified the evidence in accordance with the Department of Home Affairs (HA) guidelines that take into account factors including:

- The nature of the relationship between the applicant and the person who is providing the funds
- Their income, assets and employment or those of the other person who is providing the funds; (document evidence such as: employment certificate with salary information, recent payslip, and business registration certificate)

I/we are satisfied that the evidence provided by the student meets the requirements of HA. We have verified the documents and recommend this student for a placement at Kaplan Business School (KBS) but understand that the final determination on whether the student is offered a placement rests solely with KBS.

I/we acknowledge that this recommendation is based on the understanding that our agency has less than 5% visa refusals on all applications.

Yours Sincerely
